

Headmaster Letter

Dear Archway Families and Friends,

It is good to be back in school full force after our week of Parent Teacher Conferences. I hope you found the conferences to be helpful in understanding your child's progress thus far. The ANP faculty and staff are looking forward to the semester ahead of us and appreciate your continued support.

We have a PSO meeting scheduled for this Thursday at 8:15 am in the North Phoenix Library. An announcement about it went out prior to returning from break. Please click [HERE](#) to review it. I hope you are able to join us.

Finally, illness continues to be inflicting students and faculty alike, including yours truly. Please read the excerpt below from Nurse McGinnis for suggested precautions during this cold and flu season. We want to be vigilant in keeping our community healthy.

With devotion,

A handwritten signature in black ink that reads "Jay L. Hawks".

From the Nurse

Dear Parents and Guardians of Archway North Phoenix,

A child who is sick will not be able to perform well in school and is likely to spread the illness to other children and staff. We suggest making a plan for childcare ahead of time so you will not be caught without a comforting place for your child to stay if he/she is ill.

If your child has any of the following symptoms, please keep your child home.

- **Fever** - Temperature of 100 degrees Fahrenheit or higher. Remember that a child must be fever free (without the aid of fever reducing medication) for 24 hours before returning to school.
- **Eyes** - Thick mucus or pus draining from the eye or pink eye. With pink eye you may see white or yellow discharge, matted eyelids after sleep, eye pain, redness or

itching. Your child must receive 24 hrs. Of antibiotics and a doctor's note to return to school.

- **Cough and/or discolored nasal discharge** - A frequent, moist, productive cough, chest congestion, and/or nasal discharge that are not clear in color may be contagious and require treatment.
- **Sore throat** - especially with fever or swollen neck glands. If student has a positive Strep test they may return to school after a full 24 hours of antibiotics.
- **Vomiting/Diarrhea** - Students with vomiting and/ or diarrhea will not be able to attend school, remain at school and/or return to school if they are experiencing these symptoms for 24 hours.

If your child exhibits any of these symptoms while at school, you will be notified and your child will be sent home to recover. Thank you.

Please call the school's Health Office if you have any questions or concerns.

Sincerely,

Please see the link below for important information regarding Influenza (flu) from Arizona Department of Health Services.

Sack Lunch Service Event-Saturday, February 3rd

Come join us in a fun family service event as we will be packing sack lunches that will feed the homeless through Phoenix Rescue Mission. We'll organize around tables to make sandwiches and pack the sack lunches. Last year we made 500 sack lunches in about 45 minutes. Let's try to make 1,000 this year!

What: Dads Club Sack Lunch Service event for Phoenix Rescue Mission

When: Saturday, February 3rd, at 10 am. Most likely will take an hour or less.

Where: Elks Lodge 335 (our neighbors immediately to the north of campus)

Minimum Donation: \$20 per family (to cover the food costs that we'll be making the lunches out of)

RSVP: <http://evite.me/n8bF45QUBV> (so we know how much food to buy)

Father Daughter Dance-SAVE THE DATE!

Feb 24th on campus at 7 pm. Stay tuned for more info to come!
