

Headmaster Letter

Dear Archway Friends and Families,

I hope everyone enjoyed the three-day holiday weekend. I certainly enjoyed the beautiful weather!

As we head into April, we are coming upon the season of standardized testing. This includes the state mandated AZMerit and AIMS tests that all 3rd, 4th, 5th and 6th graders are expected to participate in. This year students will be using a computer to take each of the subject areas required by the state. Your students have been familiarized with this sort of test taking practice through school-wide MAP testing that took place on computers in January (MAP testing is a state-approved benchmarking test that all Great Hearts schools utilize). Additionally, students have had the opportunity to do some AZMerit/AIMS practice test questions on the computer. We feel confident in their preparedness as there is no studying necessary for these tests. Testing will begin this week (for 4th graders only). We ask that you please review the schedule and make every effort to have your child in attendance on these dates. It is also important for students to get a good night's sleep and a healthy breakfast as well. Finally, there will be less homework assigned on the nights before test taking. If you have any questions, please reach out to Mr. Fee at cfee@archwaynorthphoenix.org.
