## Letter from the Headmaster

Dear Archway Families and Friends,

It seems like only yesterday that we were hosting Curriculum Night. On that August evening, the parking lot was packed, and parents were eager to hear from the teachers about what their scholars would be learning over the course of the upcoming year.

During the excitement of that night, Ms. Jackie Curtis and I visited each classroom to share about our Community Investment campaign. We explained that Community Investment directly affects our school's operating budget and helps to cover the gap between what we receive in public funding and the actual cost to provide a well-rounded experience to our scholars. We shared that what makes our school possible is the willingness of our parents to generously

contribute to our mission.

That night we set a goal of 50% participation for our families. So far, 34% of our families have contributed to the campaign. But it is not too late. We have a few specific projects we would like to complete over the summer (pending the necessary funding) in preparation for next school year.

- Materials for science observations (rock samples, plants, small creatures, etc.)
- Beautiful French storybooks
- Small baskets and storage solutions for math materials
- Small geared clocks for learning to tell time (on an analog clock!)
- Necessary playground upgrades

For 2019 would you please consider [\*\*making a gift of \\$20.19 to our campaign?\*\*](#) With your gift this month we would be closer to reaching our family participation goal, and our school would receive the important funding it needs.

[\*\*Please click here to make a gift to our Community Investment campaign to support your ANP student and our great school.\*\*](#)

For those of you who have already given to our Community Investment campaign and continue to support our efforts, thank you for your generosity. Your commitment to our academy and to your child's education is greatly appreciated.

Thank you for all you do!

Sincerely,

Curtis Fee  
Headmaster
