

Weekly Family Newsletter

Headmaster letter:

Dear Archway Family and Friends,

It's time to celebrate! Why? There are many reasons for which we might be celebrating. It is currently 86 degrees as I am writing this. That is cause for celebration. We are nearing the end of first quarter and the beginning of Fall Break. That is cause for celebration. October is my favorite month. That is cause for celebration. But the true reason for celebration next week is you – our wonderful ANP Community.

We could not possibly do what we do as a school without the tremendous support from our parent community through Community Investment. We plan to spend the entire week celebrating in various ways. Today your child received more information about Celebration Week as well as an opportunity to share why they love ANP by drawing a picture that will be displayed on campus. On both Monday and Friday there will be Family Fun Drawings for special prizes, including dinner with the Fees! On Friday scholars can wear their spirit shirts as well as crazy socks.

Our goal for this year is 50% of our families giving to Community Investment, and currently 37% have contributed. For all of those who have participated in Community Investment, thank you. If you have not yet contributed, next week is a prime opportunity to do so. Enjoy the celebration!

Truly,

POKEMON CARDS & TOYS AT SCHOOL

Lately there has been an influx of Pokemon playing cards showing up at school. As a reminder for parents, playing cards like these and toys are not allowed on campus. Here is an excerpt from the family handbook about this topic:

ELECTRONIC DEVICES AND OTHER PROHIBITED ITEMS I-Pods or other portable music players, iPads, Tablets, e-readers, cameras, electronic games, laser pointers, skateboards, roller blades, and other toys that are not part of the academic or extracurricular program are prohibited on campus. Students may be disciplined, and such items will be confiscated and returned only to a parent.

ENRICHMENT PROGRAM

Students enjoyed watching a gymnast performance for our first enrichment of the year.

Once per school year we ask families to support the [Enrichment Program](#) including Class Field Trips, for each of their students attending Archway Classical Academy North Phoenix.

Your generous support of the [Tax Credit Drive](#) in addition to your support of the Enrichment Program and Class Field Trip Fee make these opportunities possible for every student attending Archway Classical Academy North Phoenix.

Requested Contribution: \$25 per student

FALL MUSICAL PERFORMANCES

Your scholars are already starting to prepare for their 1st semester musical performances, which will

all take place in the Archway MPR from 3:45 to 4:10 on almost every Monday and Tuesday afternoon next quarter. Two class sections will join forces at each performance to sing various autumnal and wintry tunes for you! Students will **not** need to bring concert attire with them on their appointed day. All family and friends are welcome to attend; you will be able to pick siblings up as usual and then walk right into the MPR when the doors open at 3:30. Please check the schedule below to see when your scholars will be performing, and do not hesitate to email their music teacher with any questions. Parent parking will be located in the Paradise Valley Baptist Church parking lot to the South of ANP across Hearn Road for the performances.

TEACHER SPOTLIGHT

After growing up in beautiful Big Sky Country and Seattle, **Nicole Herman** attended Wheaton College for a Bachelor’s in Chemistry, Master’s in Intercultural Communication, and an Illinois Teaching Certificate in Secondary Education. She taught Chemistry and Physics in Naperville, IL for ten years before moving to Phoenix where she taught at Desert Mountain High School for three more years. In the past eight years, she has been privileged to stay home with her son, being a full-time mom and home-school teacher while working part-time as a tutor and nanny. Having missed being in the classroom, she is excited to embark on this new adventure working with younger scholars in a wider array of subjects and in the pursuit of Truth, Goodness, and Beauty. When not working, she loves to spend time with her family, animals of all shapes and sizes, and reading.

PARTNERING WITH PARENTS

- The Parent *Love and Logic* classes started last week. There will be another session offered in the spring.
- AZ Merit: If your student was in 3rd-5th grade last year, please email: Attendance@archwaynorthphoenix.org to request your student's AZ Merit scores. They will be sent home in a sealed envelope to parents in the student's homework folder. Please allow up to one week for arrival.
- Literacy Day is coming up! Parents, please make time to read with your student in the evenings and during the weekends.

LOVE AND LOGIC TIPS

Neutralizing Arguing

Like dominoes toppling over, arguing leads to more arguing which leads to more arguing. In the end, what is left are limits that have been manipulated around, hurt feelings, resentment, or the loss of opportunity to learn from one’s mistakes. Reasoning with a child can also lead us into this trap. Reasoning with an angry person is like fighting a fire with gasoline. Next time that limit setting leads to an argument try an empathetic response like, “I know. I bet that feels terrible,” or, “And what did I say?”
