ANNUAL HOLIDAY GIVING

On behalf of the PSO, we would like to thank everyone for the outpouring of love and generosity during the **great-ful hearts** campaign. Our combined efforts resulted in achieving 75% of this year's goal and creating an atmosphere of genuine appreciation for our faculty and staff. Forty-one doors are wonderfully adorned with heart-filled trees complete with messages and pictures from scholars and parents alike. All the warm fuzzies abound in the halls of ANP this holiday season!

On December 18, our faculty and staff will gather together for a special Italian feast, hosted by our amazing ANP community! At that time, they will be presented with their monetary holiday gifts, along with a special keepsake made with the hearts of their trees. Be sure to keep an eye out for the ANP PSO Facebook page to see some FB Live coverage from the luncheon!

There were many hands involved in the awesomeness of this campaign. A big **thank you** to the following:

Kelly Cooper for her creative vision in leading both the decor of the doors and the luncheon decor. And even more so, for cutting thousands upon thousands of paper hearts for our scholars to decorate!

Alexa Shelton for her amazing design skills in creating the lovely tree in the **great-ful** hearts logo.

Sheila Conner for being the mastermind of the **great-ful** hearts name and final logo creation.

For those who worked so hard to help everything come together; cutting, hanging, laminating, stuffing, collecting, and so much more:
