# Back to School Checklist

## Textbook Deposit

**One-time deposit of \$150 for new students ONLY**

A one-time book deposit of \$150 is required upon enrollment to the school and is refunded when the student graduates or withdraws from the school as long as all textbooks have been returned in good condition each year.

## Grade Level Supply List

**Annual purchase, cost varies by grade level and vendor**

In order to do well at school, your student must be prepared with the proper tools. Supply lists are available for each grade level on our website. Families may purchase school supplies from whichever vendor they choose. Please bring the supplies to your student's homeroom once your student begins classes.

## Consumable Workbooks

**Annual contribution, cost varies by grade level**

Your child's class will utilize workbooks, writing and marking in them extensively. While we ask that parents consider contributing to offset the cost of these consumable workbooks that have to be purchased each year, a full set of workbooks will be provided to all students during the first week of school. Contributions can be made online at the [Payment Portal](#).

## Literature Library

**Annual purchase, cost varies by grade level and vendor**

Your child's class will utilize these "classics to keep" during the upcoming school year. Parents and students are strongly encouraged to purchase these books for their own personal collections, so that they can mark them and keep them, allowing students to develop their own impressive personal library of classics over the course of their academic career with Great Hearts.

For families who do not purchase the texts, their student will be given access to a copy of these books as part of their curriculum. Students should not mark these books and will be asked to return the books in good condition once their class has finished working with them.

## Field Trips & Enrichment Fee

**Annual contribution, \$25 per student**

Each grade level has the opportunity to go on two field trips per school year. Trips vary from year to year and have included the AZ Science Museum, the Phoenix Zoo, the Desert Botanical Garden and Mesa Arts Center.

We also bring enrichment programs to campus, including Hampstead Stage Company, the Herpetological Society and "George Washington." Contributions can be made online at the [Payment Portal](#).

# Academy Giving

## Community Investment

**Provides our faculty and staff with the resources they need to learn and thrive.**

- Covers the gap between what we need to deliver the top-tier education that our children deserve and what we receive from public funding
- Helps us support our excellent and dedicated faculty
- Keeps our class sizes smaller for more individualized attention
- Enables us to offer programs like art, music and foreign language on a daily basis

We ask each family to contribute \$1,500 per student per year to help cover the gap. Knowing that the situation is different for every family, we encourage families to give as they are able.

Every family's participation, at any level, is vital to supporting our teachers and the educational priorities of our academy.

## Tax Credit Drive

**Allows Arizona taxpayers to contribute to the public school of their choice and receive a dollar-for-dollar credit on their state taxes.**

- Support our qualified extra-curricular and athletic programs, field trips and character-building programs
- Receive the full credit from your state tax liability
- Married couples may contribute up to \$400; single filers may contribute up to \$200

Every Arizona taxpayer can take advantage of the Arizona Public School Tax Credit and support our academy.

We ask every family to contribute their Tax Credit and invite their extended network of family and friends to do the same. 100% of each gift stays at our school.
