## Peanut/Tree Nut Free Classroom Guidelines

There are some classrooms that are categorized as a peanut/tree nut free zone due to a student(s) who has an allergy to peanut/tree nut. It is important that there is strict avoidance to this food in these classroom in order to prevent a life-threatening allergic reaction. Any exposure to peanuts/tree nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we ask that if your student is in a peanut/tree nut free classroom, you **DO NOT** send any peanut or tree nut containing products in your child's **snack or in birthday treats**. Students are allowed to bring peanut/tree nut containing ingredients in their lunches.

The multi-purpose room (MPR) has designated tables that will be set up as peanut/tree nut free. The tables will be wiped down after each lunch period. Students with allergies, may invite friends (without allergies) to sit at the designated peanut/tree nut free tables with (assuming they have no peanut/tree nut products

in their lunch). Students without the allergy are welcome to join those with the allergy for lunch as long as their lunch is free of peanut/tree nut ingredients.

If your child is in a peanut/tree nut free classroom and your child has eaten peanut/tree nuts before coming to school, please be sure they wash their hands and face thoroughly before entering the school. Additionally students in these classrooms will be asked to wash or sanitize their hands prior to returning to the classroom.

### **Kindergarten Classroom Guidelines:**

Any Kindergarten classrooms with student(s) having a peanut/tree nut allergy will **not** be permitted to bring any peanut/tree nut containing product in their snacks or lunch. The Kindergarten team eats their lunch and snacks in the classroom and will not have designated tables for allergies free zones.

We appreciate your support in these procedures. For a list of peanut/tree nut free items please visit [www.snacksafely.com](http://www.snacksafely.com). Please feel free to contact the Health Office with any questions or concerns.

## **Community Investment**

Because of the support we receive through Community Investment we are able to offer our students a Specials program on a daily basis. Foreign Language, Art, Music, and Physical Education (P.E.) are cornerstones of a Great Hearts education and critical in the development of the whole student. During P.E. students learn that they should work to develop the whole person, academically, artistically, and physically. Students will engage in grade-level appropriate exercises while learning about major muscle groups, good nutrition, and the importance of staying physically active. Students will also have the opportunity to play games with their classmates with an emphasis on teamwork, good sportsmanship, and practicing our virtues.

Thank you to the families that have already made your gift for this school year. If you have not already made your family's gift to Community Investment, now is the time. Please consider setting up a monthly contribution that best fits your family's budget or schedule a one-time gift [here](#).

## **Tax Credit**

First Day to File: Tuesday, January 24th is the first day you can start filing your taxes. Don't forget to make your tax credit to our amazing academy before you file. ## **Teacher Excellence Fund**

The Great Hearts Gala is heading West! Great Hearts is seeking families to represent our academy on the 2023 Great Hearts Gala Committee. The Great Hearts Gala raises funds to benefit the Teacher Excellence Fund, which is distributed to our faculty as bonus compensation on an annual basis. If you are interested in serving on the committee, please contact Haley Kucharo at [hkucharo@greatheartsaz.org](mailto:hkucharo@greatheartsaz.org).
