Galileo Testing

This is the 3rd and final Galileo testing of this school year. We use the information from the Galileo testing to gauge the scholar's readiness for the AASA testing. Please see attached for the testing schedule. The testing schedule is attached to ensure that your child is in attendance on the dates and times provided. Also, it is helpful when children have a healthy, hearty breakfast to fuel the mind on these testing days.

Academy Giving

Community Investment

Because of the support we receive through Community Investment we are able to offer our students a Specials program on a daily basis. Foreign Language, Art, Music, and Physical Education (P.E.) are cornerstones of a Great Hearts education and critical in the development of the whole student. During P.E. students learn that they should work to develop the whole person, academically, artistically, and physically. Students will engage in grade-level appropriate exercises while learning about major muscle groups, good nutrition, and the importance of staying physically active. Students will also have the opportunity to play games with their classmates with an emphasis on teamwork, good sportsmanship, and practicing our virtues.

Thank you to the families that have already made your gift for this school year. If you have not already made your family's gift to Community Investment, now is the time. Please consider setting up a monthly contribution that best fits your family's budget or schedule a one-time gift [here](#).

Tax Credit

First Day to File: Tuesday, January 24th is the first day you can start filing your taxes. Don't forget to make your tax credit to our amazing academy before you file. You can complete your dollar-for-dollar tax credit online at this [link](#) right before you file, using the emailed receipt to complete Form 322.

Teacher Excellence Fund

The Great Hearts Gala is heading West! Great Hearts is seeking families to represent our academy on the 2023 Great Hearts Gala Committee. The Great Hearts Gala raises funds to benefit the Teacher Excellence Fund, which is distributed to our faculty as bonus compensation on an annual basis. If you are interested in serving on the committee, please contact Haley Kucharo at hkucharo@greatheartsaz.org.

With gratitude,

Jackie Curtis
