# NEW

Great Hearts and Archway North Phoenix continue to utilize the system School Messenger for emails, robo calls, and text messaging to inform families of campus related academy emergencies and other communications. SchoolMessenger has a new automatic opt-in for text feature. During the registration or your re-enrollment process families confirmed their participation in text communication.

Great Hearts will now automatically opt in contact information given during the registration/re-enrollment process with the options you selected. You will notice at the beginning of July you will be opted in for text messaging.

If you would like to opt out of text messages simply reply STOP to the text from 67585. You can also enter the code 67585 with the message STOP to block any text messaging. Please note, if opting out, you will not receive texts regarding emergencies on campus.
