Dear Archway North Phoenix Families,

We hope you all had a relaxing Spring Break. **On Monday, March 23rd, 5th grade students will begin taking the AZSCI test**, so please continue to encourage your child(ren) to take their time, read each question carefully, and answer each question thoroughly. As a reminder, please make sure that your child is present and on time to school on testing days. Students will need to bring their own set of headphones as ANP will not provide them this year. Additionally, please make sure that your child is able to be in attendance the entire testing day, as they will not be able to make up a test that is started but not finished due to leaving early. If your child is absent on one of their testing days, there will be makeup days, but we find that students do their best work on the designated testing days. In order to feel their best, children should get a good night's sleep the night before each test, as well as a hearty breakfast each morning. Please send them with a protein packed snack, and a bottle of water. Students should have a book or two during the month of March and April as reading is the only activity students can partake in once they have finished during the testing session. If you'd like to work with your student on some of the material, please see the "Partnering with Parents" section below.

Sincerely, Ms. Kelli Sneed

AASA (Arizona's Academic Standards Assessment) is the statewide achievement test for Arizona students. All Arizona public school students (3rd, 4th, 5th grade), which includes charter school students, will take the AASA assessments in English Language Arts and Mathematics. AZSCI (Arizona Science Test) is the statewide assessment, for 5th grade, that measures student proficiency of the Arizona Academic Content Standards in Science.

Testing will begin on Monday, March 23rd, 2026, for 5th grade students. Testing for all grades will begin Monday, March 30th, 2026.

As we look ahead to this testing, please discuss with your child the importance of doing their very best on these tests and take some time each week to review some commonly asked concepts with your student using the resources listed here:

3rd Grade: Time differences Compare and contrast two texts

4th Grade: Division with place values Understanding theme from details in a text

5th Grade: Algebraic thinking Making inferences

We recommend that students log into the [Sample Tests](#) to familiarize themselves with the types of questions and their formats on the AASA test:

Additional grade level resource links:

3rd Grade: Relating division to multiplication Comparing unit fractions

4th Grade: Quotients that are multiples of 10 Multi-digit number word problems

Argonaut Families, it's Tax Credit Season and we need YOU!

We have just 3 weeks left to HIT our goal! Your **Arizona Public School Tax Credit** is an easy way to support our students at **no cost to you**. Your contribution helps create fun school after school clubs and memories. Last Friday our 4th graders got to visit the Desert Outdoor Center at Lake Pleasant. They enjoyed a hands-on learning experience in the desert. Through guided activities like hiking, wildlife exploration, and interactive science lessons, building curiosity, teamwork, and a deeper appreciation for the natural world

Help us reach our goal by April 15th and enjoy these fun incentives:

- **PE Coach for the Day** drawing for every family who contributes. **Two winners total** one from Grades K–2 and one from Grades 3–5
- **Free Dress Day** for the grade level with the highest participation
- **All School Popsicle Party** if we hit our overall Tax Credit goal

LeaderBoard: Grade Level Standings as of this week: 1st place-5th grade with 36%, 2nd place-3rd grade with 30%, 3rd place-2nd grade with 24%

This is a **dollar -for- dollar win- win** for our school and our families. **Before you file and before April 15, take the credit with ANP.** Please share with your Arizona family and friends so we can reach our goal together.

Thank you for helping our Argonauts learn, grow, and have fun.

ANP Annual Art Contest

2025 - 2026 Guidelines

All ANP students are welcome to show off their skills and creativity by entering our annual art contest!

Each student may enter one piece of art, including drawing, painting, sculpture, or mixed-media.

Contest entries may be turned in just inside the doors at dropoff from Monday, April 20th - Friday, April 24th.

Please Note NEW Eligibility Guidelines:

- Art must be 16" x 24" or smaller.
- Art must be an original idea, inspired and created entirely by the student.
 - Art done from a video or book tutorial is not eligible. Students may learn from videos, but should use those skills for their own creation. (i.e.: If they want to draw a panda in a jungle, they can learn how to draw a panda from a video and practice, but should put it in its own setting, pose, etc.)
 - Art done in outside camps, classes or lessons is not eligible.
 - The artwork must be done in this school year.
 - Siblings and family members may not help, except if hot glue or anything considered dangerous for a child is needed in small amounts.
- Student must have first and last name and class written neatly on the back or card
- No photography, digital art, or anything with glitter.
- Nothing with weapons, blood, superheroes or pop culture will be accepted.
- Work must arrive dry, assembled, and completely finished.
- Art should be presented nicely without bends or crinkles. Art on school lined paper will not be accepted. Mounting work neatly on a poster board or card stock is strongly encouraged; picture frames with glass will not be accepted due to safety..
- The art department may reject any submitted work that they deem inappropriate.

Work will be judged on technical skill, creativity, and neatness.

This year, we will be giving awards for Top Honors instead of ranking the winners.

The Top Honors per grade will be shown in the MPR on the ANP Fine Arts night on May 1st.

Remaining entries will be shown in the art rooms.

Consoles I'm looking for include Wii, Game Cube, PlayStation, XBOX, and Switch. The kinds of games I'm looking for would be games rated E, and appropriate for everyone like Mario Kart, Smash Bros, Wii Sports, other sports related games, and racing games. SCHOOL GUIDELINES

ATTENDANCE

It is the responsibility of the parent/guardian to email the school before 8:00AM to report an absence. Students will be recorded as having an unexcused absence if no email is sent. Ten consecutive unexcused absence days will automatically result in the withdrawal of the student. Please read the [Parent Handbook](#) for more detailed information on our absence policy, or call the office if you have any questions.

To report an absence please email: attendance@archwaynorthphoenix.org

TARDINESS

Students who arrive after 8am will be considered tardy. **If you arrive past the time the North lobby doors are closed, the parent/guardian must sign the student in at the front office.** Persistent tardiness is highly disruptive of instruction and undermines student morale. On the 5th occasion of an unexcused tardy in a quarter we notify the parents by a letter home. If the student continues to accumulate tardies, our Dean of Students will be in touch to discuss possible concerns. If problem persists parents will be required to come in person for a meeting with the leadership team to discuss a solution.

EARLY STUDENT PICK UP

Students that need to be picked up early for appointments must be picked up in the main office no later than 2:30pm on full days, 1:00pm on early release days, and 11:30 on half days. **We do not release students the last 1/2 hour of class.**

LATE PICK-UP

Please be prompt when picking up your students at dismissal time. Parents are granted a 30-minute window after dismissal. After that, parents will be charged \$1 for every minute each scholar is pick up late.

PLACARD FOR PICK UP

Placards are required every day for every pick up. Parents are responsible to print and provide these to any individuals you have designated to pick up your scholar.

STAFF COMMUNICATION

Because teachers need to have their attention on scholars during the school day, it is our policy to give our staff 24 business hours to respond to parent emails/concerns (e.g.: If you email a teacher on Friday afternoon they would have until Monday afternoon to respond). There are times when a staff member is absent, or may have missed an email in their spam folder. If you do not hear back from your scholar's teacher within 24 hours, please contact Mr. Taylor or the front office so we can expedite your concern.

HOMEWORK POLICY

While we believe in the practice of homework at ANP, we want our students to have balance in their home and family life. If it takes your scholar longer than the allotted time (see homework policy for times) to complete their work, contact the teacher via email or written note on the assignment. This will help guide the teacher in planning a lesson to re visit with the class or give your scholar individualized attention for mastery.

FORGOTTEN ITEMS POLICY

For the security of our students and faculty, the office staff cannot continuously leave the front desk to deliver forgotten lunches, water bottles, or homework and interrupt the classroom learning environment. DoorDash, Uber Eats, Grubhub, and similar delivery services are not permitted to deliver for students. Students are not allowed to re-enter the school after they have been picked up to retrieve forgotten books, lunchboxes, homework, etc. **Both of these policies are being put into place for the safety of students and also to increase the virtue of responsibility in our students.**
